General FAQ

■ Language

- ▶ Please make written documentation in ENGLISH
- ▶ Emails/Chat/Voice – we can work in GERMAN or ENGLISH, as you prefer

■ Documentation

- ▶ Please document intermediary steps as well as the final versions. But be smart > not every iteration needs to be saved – but different or discarded options might become relevant again.

■ Presentation templates

- ▶ We can offer base templates for the BASF look & feel – if that is allowed for KIT projects.

■ Communication Channel

- ▶ For better communication of topics that are relevant for the team, we prefer to use Webex Teams
